SUSTAINABLE

Striving towards a sustainable future

HUB furniture is protected with 100% recycled and recyclable cardboard wrap which is a much more environmentally friendly alternative to plastic bubble wrap.

BRITISH

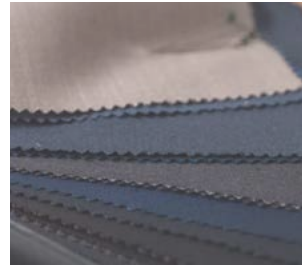

Proudly made in Britain

Reducing our global impact as well as supporting local economies is hugely important to the HUB team so having the majority of our furniture designed and manufactured in Britain was our mission from the very beginning.

QUALITY

All of HUB's furniture is manufactured by high quality suppliers using contract quality materials and fixings, ensuring pragmatic use and longevity.
